Lighthouse Keeper

Starting Space 1
Boon Space 18

Background: After thick fog enveloped their tower, the Lighthouse Keeper was whisked away to a place even the most seasoned sailors haven't heard of. With their skills in repair, they're prepared to salvage what they can to protect themself.

Player Ability: Once per round, you may discard an item and draw a new one.

Strength	Speed	Smarts	Supernatural
3	1	4	2

Researcher

Starting Space 20
Boon Space 7

Background: The Researcher has dedicated their life to understanding the unbelievable, and has finally found a way to reach the island. They know they must grapple with challenges beyond their comprehension, but knowing is half the battle.

Player Ability: At the start of the game, gain a Preparation token.

Strength	Speed	Smarts	Supernatural
2	2	3	3

Flight Attendant

Starting Space 5
Boon Space 14

Background: Crashing on the island during a flight like any other, the Flight Attendant was lucky to survive. However, something feels different. With the island unlocking her latent psychic potential, she can see and change the future.

Player Ability: As an action, you may check Supernatural. On a success, you may move any token on the board to an adjacent space.

Strength	Speed	Smarts	Supernatural
3	2	1	4

Inhabitant

Starting Space 4
Boon Space 13

Background: Having lived on the island for their entire life, the Inhabitant knows the ins and outs of how it operates. As they've done for decades, they use their knowledge to mitigate or prevent bad events from happening.

Player Ability: Before resolving an Encounter, you may discard your Encounter and draw a new one. (Only do this once per round)
